

Certified Product

Brand: Shandong denosen environmental
protection material technology co., ltd

Product name: Solvent Yellow 160:1

Catalogue No.: N/A

Alternative name(s): N/A

Certificate Holder

SHANDONG DENOSEN ENVIRONMENTAL
PROTECTION MATERIAL TECHNOLOGY CO.,
LTD

50 METERS EAST OF THE INTERSECTION OF
ZHAOWANGHE STREET AND GESHI ROAD,
MAGNETIC KILN TOWN CHEMICAL
INDUSTRY PARK, NINGYANG COUNTY, TAI'AN
CITY, SHANDONG PROVINCE

Manufacturer

Shandong denosen environmental protection
material technology co., ltd

50 meters east of the intersection of
Zhaowanghe Street and Geshi Road, magnetic
kiln town Chemical Industry Park, Ningyang
county, Tai'an City, Shandong Province

Product information declared by the certificate holder

Product description: Yellow powder
Application or Use: Colorant, under Textile Processing
Formulation type: 1.7.28 Solvent dyes

Concentration of the key base ingredient

CAS NO	Name of substances	% WW (conc)
61902-43-0	Solvent yellow 160:1	100

Certification requirements: 1. Laboratory MRSL testing per ZDHC MRSL V 3.1 with SDS evaluation

The product is certified in accordance with the
ZDHC MRSL Conformance Guidance Version 2.1 for Level 1 requirement.
This certificate is valid from 29 Aug 2024 to 28 Aug 2026 only
If subsequent verification is conducted according to the requirements of
SGS Chemical MRSL Conformance Certification Scheme

Authorized by

SGS Chemical MRSL Conformance Certification Centre
